

FAMe AMT Program Professional Behaviors Development Structure

The Six Professional Behaviors

- Attendance
- Initiative
- Diligence
- Interpersonal Relations
- Team work
- Communication

7 Essential Professional Behaviors

- Attitude & Respect
- Discipline & Character
- Responsibility
- Organization
- Time Management
- Productivity
- Social Media Ethics

5 Professional Standards

- Professional Dress
- Professional Posture
- Professional Greeting
- Professional Presentation
- AMT Practices

The Essential Professional Behaviors will be developed only if the College Partner correctly provides the full AMT Program at the campus. Their development is built into the AMT educational process.
