

Make Remote Learning Engaging for
Students by Focusing on Equity and SEL

By: Jorge Valenzuela

Education Coach, Author & Advocate

About me

Education Coach: Adjunct Professor & Education Consultant

Coaching Topics for Educators

- Backwards Design Lesson & Unit Planning
- Computational Thinking & Computer Science Integration
- Emotional Intelligence
- Engineering Design (**STEM**)
- Peak Performance in Education
- Project-Based Learning (**PBL**)
- Making Remote Learning Engaging (edtech, equity & SEL)
- Restorative Practices

ISTE Standards/Competencies for Educators

1. Learner
2. Equity Leader
3. Citizen
4. Designer
5. Facilitator

LLD.

@JorgeDoesPBL

Alignment Between Standards/Competencies

Content Standards	CASEL Core SEL Competencies	ISTE Standards
What new concepts and skills will students learn?	What competencies will students learn to thrive both socially and emotionally?	What practices and edtech tools are the best vehicles for augmenting and transferring learning equitably for all students?

Standards Alignment Table
by Valenzuela (2020)

@JorgeDoesPBL

2020-2021 School Year

LLD.

@JorgeDoesPBL

2020-2021 Mix of In-Person & Remote Learning

LLD.

@JorgeDoesPBL

Many Schools are Virtual Due to COVID

- Help attendance rates
- Protect students and staff
- Social distancing
- Improve academic outcomes

LLD.

@JorgeDoesPBL

This Presents as a PD Opportunity

@JorgeDoesPBL

This Presentation will Focus on Two Areas for Teachers

- Instructional Design Topics
(for project design and implementation)
- Edtech tools

@JorgeDoesPBL

Instructional Design

1. Equity
2. SEL
3. Academics

ISTE Standards for Educators: Learner,
Equity Leader, Citizen, Designer & Facilitator

@JorgeDoesPBL

President Obama Signs ESSA Act December 10, 2015

LLD.

@JorgeDoesPBL

Every Student Succeeds Act (ESSA): What You Need to Know

At a Glance

- The Every Student Succeeds Act (ESSA) is the nation's main education law for all public schools.
- The law holds schools accountable for how students learn and achieve.
- ESSA aims to provide an equal opportunity for students who get special education services.

Jones & Lee (2018)

@JorgeDoesPBL

Every Student Succeeds Act (ESSA): What You Need to Know

The Purpose of ESSA

The main purpose of ESSA is to make sure public schools provide a quality education for all kids. *ESSA gives states more of a say* in how schools account for student achievement.

This includes the achievement of disadvantaged students. These students fall into four key groups:

- *Students in poverty*
- *Minorities*
- *Students who receive special education*
- *Those with limited English language skills*

Jones & Lee (2018)

@JorgeDoesPBL

Every Student Succeeds Act (ESSA): What You Need to Know

Requirements and Accountability

- Academic Standards
- Annual Testing
- School Accountability
- Goals for Academic Achievement
- Plans for Improving Struggling Schools
- State and Local Report Cards
- The Role Parents Can Play in ESSA
- Reading and Literacy Programs Under ESSA
- School Innovation Under ESSA

Jones & Lee (2018)

@JorgeDoesPBL

Alignment Needed in Schools

1. **Federal/Local Policy** (ESSA, CS4All)
1. **Needs of the Workforce** (computing/CS skills, etc.)
1. **Sound Teaching Practice** (using learning sciences to teach academic, career and SEL)

Valenzuela (2020)

LLD.

@JorgeDoesPBL

Can we Leverage
ESSA
Every Student Succeeds Act
for **EQUITY**?

@JorgeDoesPBL

Inequities We Couldn't Ignore in 2020

LLD.

@JorgeDoesPBL

Inequities Spotlighted by Coronavirus — Worldwide

- Pandemic hit every aspect of family life—child care, healthcare, employment, transportation, and food access
- According to the World Food Programme — in 2019 an estimated **310 million children** from low income families were being fed at school.
- **53%** of children in low- and middle- income countries cannot read and understand a basic text at age 10 — which was amplified by switching to digital platforms
- About **55%** of lower-middle income countries and less than 25% of low income countries have been able to set up remote learning platforms
- Moreover, only **36%** of residents of lower-middle income countries have access to the internet which raises further concerns regarding the reach of remote learning

World Economic Forum (2020)

Intersection Between Equity & SEL

SOCIAL & EMOTIONAL LEARNING

Development of the knowledge, behaviors, and perspectives needed to understand and manage emotions, get along with others, make responsible choices, and achieve one's goals

EQUITY IN EDUCATION

Equitable access to a high-quality education, including rigorous coursework and exceptional teachers, regardless of gender, race, ethnicity, language, disability, background, or family income

Equity was highlighted because before we can get to SEL we need to understand the type of help all students need before we can coach them on understanding themselves and others. — Jorge Valenzuela

LLD...

@JorgeDoesPBL

Some of the Benefits of SEL in Schools

SOCIAL AND EMOTIONAL LEARNING

When embedded in the core curriculum for multiple years, SEL interventions can

- reduce aggression and emotional distress among students;
- increase helping behaviors in school;
- improve positive attitudes toward self and others;
- increase students' academic performance by 11 percentile points.

(Durlak et al., 2011)

My SEL Story

WHAT THE SCORES MEAN

Scores on the Emotional Intelligence Appraisal® come from a "normed" sample. That means your scores are based on a comparison to the general population. Read the following descriptions to better understand what your scores mean about your current skill level.

Score	Meaning
95-100	A STRENGTH TO CAPITALIZE ON These scores are much higher than average and indicate a noteworthy strength. These strengths probably come naturally to you, or most important, you have worked hard to develop them. Seize every opportunity to use these emotionally intelligent behaviors to maximize your success. You are highly competent in this skill, so work to capitalize on it and achieve your potential.
80-89	A STRENGTH TO BUILD ON This score is above average. However, there are a few situations where you don't demonstrate emotionally intelligent behavior. There are many things you've done well to receive this score and a few that could be better with some practice. Study the behaviors for which you received this score and consider how you can polish your skills.
70-79	WITH A LITTLE IMPROVEMENT, THIS COULD BE A STRENGTH You are aware of some of the behaviors for which you received this score, and you are doing well with them. Other emotionally intelligent behaviors in this group are holding you back. Lots of people start here and use a big improvement in their emotional intelligence once it's brought to their attention. Use this opportunity to discover the difference and improve in the areas where you don't do as well.
60-69	SOMETHING YOU SHOULD WORK ON This is an area where you sometimes demonstrate emotionally intelligent behavior but not usually. You may be hesitant to let people down. Perhaps this is a skill area that doesn't always come naturally for you, so that you don't make use of. With a little improvement in this skill, your capability will go way up.
50 and Below	A CONCERN YOU MUST ADDRESS This skill area is either a problem for you, you don't value it, or you don't know it was important. The bad news is your skills in this area are limiting your effectiveness. The good news is the discovery and choosing to do something about it will go a long way in improving your emotionally intelligent behavior.

Self-awareness: Labeling Emotions

1. Anger
2. Anticipation
3. Joy
4. Trust
5. Fear
6. Surprise
7. Sadness
8. Disgust

Plutchik's Wheel of Emotions (2001)

@JorgeDoesPBL

Emotions Check-In

Subject	Emotion	SEL Strategy
ELA: Journal Entry	Boredom	Provide duties, modeling, & make learning relevant
Math: Fractions Quiz	Apprehension	Provide scaffolds, positive self-talk, & positive visualization
Science: Simulation	Surprise	Restate instructions, encourage students to ask for help, & teach breathing techniques
Social Studies: Study on Civil Rights	Anger	Focus on your breathing, Take a walk or step away, & Count up to or down from 10.

Emotions Planner by Valenzuela (2020)

@JorgeDoesPBL

Emotions Check-In in a Weekly Lesson Plan

Final Product(s)	Learning Targets/Objectives	Formative Assessments	Lessons, Instructional Strategies and Scaffolds
Monday - Tuesday: Computational Artifact	I Can investigate and understand each of the computational thinking (CT) elements.	1. Student summary of CT elements from Jigsaw 2. CT rubric 3. Emotion Check-In 4. Exit ticket following daily lesson	1. Computer science guest speaker 2. STE article on CT elements 3. CT elements Jigsaw 4. SEL: Emotions
Wed-Thursday: Computational Artifact	I Can develop a step-by-step algorithm for a personal task (i.e., painting nails, walking dog, etc.) to apply one or more of the CT elements in written form.	1. CT quiz 2. CT rubric 3. Reflective writing in a reflection journal 4. Emotion Check-In 5. Exit ticket following daily lesson	1. CT elements graphic organizer 2. Learning Stations Teacher lead (I Do -- we do (Thur 1) -- you do individual) 3. CT video 4. SEL: Emotions
Friday: Computational Artifact	I Can apply one or more of the CT elements through a computational artifact to demonstrate proficiency in citing sources and speaking and listening skills.	1. CT rubric 2. Emotion Check-In 3. Reflection and collaboration following presentation	1. Presentation rehearsal 2. SEL: Emotions 3. Computational artifact presentation

Bringing Trauma-Informed Strategies into the (Online) Classroom

@JorgeDoesPBL

Reflection Questions

1. What are your initial thoughts on the 'Emotions Check-in' using the 'Emotions Planner'?
2. How can you leverage the 'Emotions Check-in' with students?

Social & Emotional Learning (SEL)

Social Awareness
&
Relationship Skills

Social & Emotional Learning (SEL)

SOCIAL AWARENESS skills...

- Perspective-taking
- Empathy
- Appreciating diversity
- Respect for others

Social-awareness: Labeling Emotions

Plutchik's Wheel of Emotions (2001)

LLD. @JorgeDoesPBL

1. Anger
2. Anticipation
3. Joy
4. Trust
5. Fear
6. Surprise
7. Sadness
8. Disgust

Emotions Check-In

Emotions Planner...

Situation	Emotion	SEL Strategy
Argument: Sibling/friend	Annoyance	Gain the other's perspective, identify win-win solutions, apologize, restorative circle
New Setting: School Transfer	Apprehension	Think positively, remember that apprehension starts in the mind before it manifests physically, organize your ideas about the new setting clearly, practice social skills in an environment similar to the new school

One More Thing

And there's one more important thing about doing social-awareness work.

@JorgeDoesPBL

Social-awareness: Knowing Students

1. Gender Identity
2. Poverty
3. Racial Bias
4. Religious Persecution
5. Sexual Orientation Discrimination
6. Negative Stereotypes
7. Subjected to Violence

"An important component of social awareness is to know our students and what plagues them socially." — Jorge Valenzuela

@JorgeDoesPBL

Social-awareness: Knowing Students

"We also need to understand that we can do more harm than good if we do not have the right language and background on some of the topics plaguing our students socially." — Jorge Valenzuela

@JorgeDoesPBL

Social-awareness: Knowing Students

#JorgeDoesPBL

"Really focusing on equity requires us to know the systemic conditions that led to the disadvantages and associated traumas facing our students' furthest from opportunity. We need to be deeply informed about the effects of structures that cause them trauma."
— Jorge Valenzuela
