DETERMINING YOUR WHY... AND HOW YOU WILL DO IT!

Our WHY!

- x Career readiness provides students the ability to qualify for, and succeed, in entry-level colleges and institutions without remedial coursework, or in workforce training programs offering competitive salaries and opportunities for advancement in growing industries.
- x Employers WANT career-ready employees in order to promote business growth and opportunity.
- x “Out of the Box” approach to ensuring students are success ready
- x The school district is held accountable for ensuring their students are career ready through state accountability measures

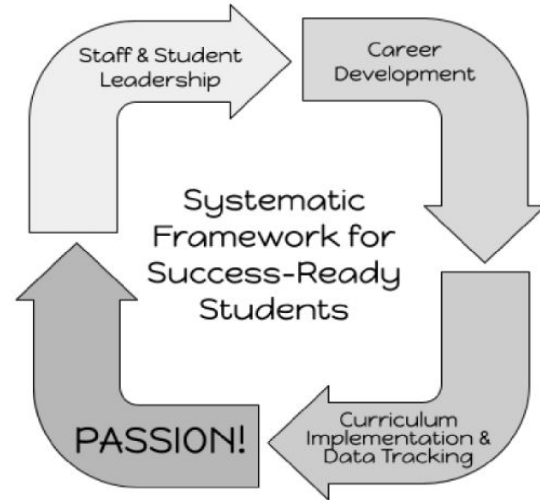

*PASSION is the
difference between
having a job or having a
CAREER.*
