

# Virginia's IET Blueprint: Strengthening IETs through a Virtual Professional Learning Community

Kate Rolander, PhD  
NCPN 2021

# The plan for the session

- 1. Tour Virginia's IET Blueprint for IET program planning, design, implementation, and evaluation.
- 2. Listen to Virginia IET practitioners discuss their experiences building and implementing IETs.
- 3. Leave with checklists, tools, and an adaptable model for building expertise, resources, and partnerships for stronger IETs.
